## Anti Bribery & Anti-Corruption Policy

### 1. Objective

SIGACHI Industries Limited ("SIGACHI" or the "Company") is committed to the prevention, deterrence and detection of fraud, bribery, and all other corrupt business practices. It is SIGACHI's policy to conduct all its business activities with honesty, integrity and the highest possible ethical standards and vigorously enforce its business practice, wherever it operates throughout the world, of not engaging in bribery or corruption.

### 2.Scope and applicability

This Anti-bribery and Anti-corruption Policy (this "Policy") applies to all individuals worldwide working for all affiliates /JV/ subsidiaries of SIGACHI at all levels and grades, including directors, senior executives, officers, employees (whether permanent, fixed-term or temporary), consultants, contractors, trainees, seconded staff, casual workers, volunteers, interns, agents, or any other person associated with SIGACHI (collectively referred to as "You" or "you" in this Policy).

In this Policy, "Third Party(ies)" means any individual or organization, who / which come into contact with SIGACHI or transact with SIGACHI and includes actual and potential clients, suppliers, business contacts, consultants, intermediaries, representatives, subcontractors, agents, advisers, joint ventures and government & public bodies (including their advisers, representatives and officials, politicians and political parties).

### 3. Policy details

A bribe is an inducement, payment, reward, or advantage offered, promised or provided to any person in order to gain any commercial, contractual, regulatory or personal advantage. It is illegal to offer a bribe directly or indirectly or receive a bribe. It is also a separate offence to bribe a government/ public official. "Government/ public official" includes officials, whether elected or appointed, who hold a legislative, administrative or judicial position of any kind in a country or territory.

A bribe may be anything of value and not just money -- gifts, inside information, sexual or other favors, corporate hospitality or entertainment, offering employment to a relative, payment or reimbursement of travel expenses, charitable donation or social contribution, abuse of function -- and can pass directly or through a third party. Corruption includes wrongdoing on the part of an authority or those in power through means that are illegitimate, immoral or incompatible with ethical standards. Corruption often results from patronage and is associated with bribery.

#### **4. Gifts and hospitality**

Employees or members of their immediate families (spouse, mother, father, son, daughter, brother, sister or any of these step- or in-law relationships, whether established by blood or marriage including common law marriage) should not provide, solicit or accept cash or its equivalent, entertainment, favors, gifts or anything of substance to or from competitors, vendors, suppliers, customers or others that do business or are trying to do business with SIGACHI. Loans from any person or company having or seeking business with SIGACHI, except recognized financial institutions, should not be accepted. All relationships with those who SIGACHI deals with should be cordial but must be on an arm's length basis. Nothing should be accepted, nor should the employee have any outside involvement, that could impair or give the appearance of impairing an employee's ability to perform his/her duties or to exercise business judgment in a fair and unbiased manner.

This Policy does not prohibit normal and appropriate gifts, hospitality, entertainment and promotional or other similar business expenditure, such as calendars, diaries, pens, meals and invitations to theatre and sporting events (given and received), to or from Third Parties. However, the key determining factor for appropriateness of the gift or hospitality and/or its value would be based on facts and circumstances under which such gift or hospitality is provided.

The practice of giving gifts and hospitality is recognized as an established and important part of doing business. However, it is prohibited when they are used as bribes. Giving gifts and hospitality varies between countries and sectors and what may be normal and acceptable in one country may not be so in another. To avoid committing a bribery offence, the gift or hospitality must be:

1. Reasonable and justifiable in all circumstances

2. Intended to improve the image of SIGACHI, present its products and services or establish cordial relations.

The giving or receiving gifts or hospitality is acceptable under this Policy if all the following requirements are met:

- It is not made with the intention of influencing a Third Party to obtain/ retain business or a business advantage or to reward the provision or retention of business or a business advantage or in explicit or implicit exchange for favors/ benefits or for any other corrupt purpose
- It complies with local laws and customs.
- It does not include cash or a cash equivalent (such as gift certificates or vouchers)
- It is appropriate in the circumstances. For example, in U.S. it is customary for small gifts to be given at Christmas time.
- Considering the reason for the gift or hospitality, it is of an appropriate type and value and given at an appropriate time.
- It is given openly, not secretly and in a manner that avoids the appearance of impropriety.

Examples of Token Gifts: Corporate calendar, pens, mugs, books, T-shirts, wine bottles, bouquet of flowers or a pack of sweets or dry fruits. If the gifts or hospitality given or received is more than a token gift or modest meal/ entertainment in the ordinary course of business, you must obtain prior written approval from your vertical head and must notify the Management Committee at [mdoffice@sigachi.com](mailto:mdoffice@sigachi.com) for recording in the gift and hospitality register.

The Whistle blower Committee will maintain a gift and hospitality register as a written record, setting out full details of the gift or hospitality given or received including the approximate value, the purpose or intention of the gift or hospitality, the name of the recipient and provider of the gift or hospitality and their relationship.

#### **5. What is not acceptable?**

It is not acceptable for any employee of SIGACHI (or someone on his / her behalf) to:

1. Accept an offer of a gift of any size from any Third Party which is in negotiation with or is submitting a proposal with SIGACHI.

2. Give, promise to give, or offer, any payment, gift, hospitality or advantage with the expectation or hope that a business advantage will be given or received or to reward a business advantage already given.
3. Give, promise to give, or offer, any payment, gift or hospitality to a government official, agent or representative to “facilitate” or expedite a routine procedure
4. Accept or solicit any payment, advantage, gift or hospitality from a Third Party that you know or suspect is being offered with the expectation that it will obtain a business advantage for them.
5. Threaten or retaliate against, another employee who has refused to commit a bribery offence or who has raised concerns under this policy.
6. Engage in any activity that might lead to a breach of this Policy.

The points stated above are illustrative in nature and in no way intended to limit the applicability of this Policy.

## **6. Willful blindness**

If an employee willfully ignores or turns a blind eye to any evidence of corruption or bribery within his / her department and/or around him / her, it will also be taken against the employee. Although such conduct may be “passive”, i.e. the employee may not have directly participated in or may not have directly benefited from the corruption or bribery concerned, the willful blindness to the same can, depending upon the circumstances, carry the same disciplinary action as an intentional act.

## **7. Facilitation payments and kickbacks**

Neither an employee of SIGACHI nor any person acting on behalf of SIGACHI shall make and shall not accept facilitation payments or “kickbacks” of any kind. “Facilitation Payments” are typically small, unofficial payments (sometimes known as “grease payments”) made to secure or expedite a routine government action by a government official. “Kickbacks” are typically payments made to commercial organizations in return for a business favor/ advantage, such as a payment made to secure the award of a contract. You must avoid any activity that might lead to or suggest that a Facilitation Payment or Kickback will be made or accepted by SIGACHI.

Facilitation Payments are known to be prevalent in many countries and industry sectors. There may be concerns that the inability to make such payments may cause difficulties in doing business in some jurisdictions and that this may result in a loss of income or contract. The guidance set out below is intended to help support you in circumstances when you are asked to make Facilitation Payments.

## **8. Guidance on how to avoid making Facilitation Payments**

Corrupt government officials demanding payments to perform routine government actions may often put people acting on behalf of SIGACHI in very difficult positions. Therefore, there is no easy solution to the problem. However, the following steps may help:

- Insist on official receipts for any payments you make
- Report suspicions, concerns, queries and demands for Facilitation Payments to the higher ups and to local enforcement authorities and refuse to make such payments.

## **9. Blackmail/ extortions**

We remain committed to our policy of not making Facilitation Payments. The only limit exception to this is in circumstances where you or the Third Parties are left with no alternative but to make payments in order to protect against loss of life, limb or liberty. In such circumstances, you make the payment and it is your immediate responsibility to contact your Manager and the Management Committee via [moffice@sigachi.com](mailto:moffice@sigachi.com) as soon as possible after the event, so that the incident can be properly recorded, reviewed and accounted for with the authorities.

## **10.Charitable donations**

As part of its CSR activities, SIGACHI may support local charities or provide sponsorship, for example, to sporting or cultural events. We only make charitable donations that are legal and ethical under local laws and practices and within the corporate governance framework of the organization.

## **11.Political activities**

We are apolitical, advocate government policies on sustainability and do not contribute financial or in-kind to political parties, politicians and related institutions in any of the countries.

We do not make contributions to political parties, political party officials or candidates for political office. Payment or use of corporate assets of any type as payment, directly or indirectly to any person, business, political organization or public official for any unlawful or unauthorized purpose is prohibited. You should not make any political contribution on behalf of SIGACHI, use any SIGACHI resources to assist a candidate or elected official in any campaign or coerce or direct another employee to vote a certain way. You should never attempt to offer any incentives to public officials in the hopes of influencing the decision of that individual.

## **12.Business relationships**

SIGACHI requires all Third Parties to cooperate and ensure compliance with these standards, to continue the business relationship.

If he / she is unsure whether a particular act constitutes bribery or corruption or if he / she has any other queries, these should be raised with their respective Manager and/or the management committee via [mdoffice@sigachi.com](mailto:mdoffice@sigachi.com)

#### **17.What should an employee do if he/she is a victim of bribery and corruption?**

It is his / her responsibility to inform / report it to their respective Managers and the management Committee via [mdoffice@sigachi.com](mailto:mdoffice@sigachi.com) as soon as possible if you are offered a bribe by a third party, you are asked to make one, suspect that this may happen in the future or believe that you are a victim of another form of corruption or other unlawful activity. You must refuse to accept or make the payment from or to a third party, explain our policy against accepting or making such payment and make it clear that the refusal is final and non-negotiable because of this Policy. If you encounter any difficulty making this refusal, you should seek assistance from your manager.

#### **18.Protection**

We encourage openness and will support anyone who raises genuine concerns in good faith under this Policy, even if they turn out to be mistaken. We are committed to ensure that no one suffers any detrimental treatment as a result of refusal to take part in bribery or corrupt activities or because of reporting their suspicion in good faith that an actual or potential bribery or other corruption offence has taken place or may take place in the future.
