Sigachi Industries Limited is pleased to announce that its Dahej 2 SEZ facility has received Environmental Clearance (EC) from the competent regulatory authority. This development marks a significant milestone in Sigachi's scale-up journey and operational diversification, reaffirming its commitment to strengthening global competitiveness through innovation, regulatory readiness, and customer-centricity.

Thursday, 17th April 2025: Sigachi Industries Limited, India's leading player in pharmaceutical excipients and specialty ingredients, has received Environmental Clearance (EC) from the State Environment Impact Assessment Authority (SEIAA), Gujarat for its upcoming Greenfield manufacturing facility at Dahej SEZ, Bharuch, Gujarat. This paves the way for one of Sigachi's most significant capacity expansions to date, reinforcing the company's vision to become a global manufacturing powerhouse for excipients, nutraceuticals, and high-value functional ingredients.

Environmental Clearance received on April 16, 2025, with site development and execution set to begin immediately.

Strategic Highlights:

- Positioned in Dahej SEZ to drive export growth, operational flexibility, and compliance readiness for regulated markets
- Installed Production Capacity of 3,120 MT/month — across categories including Cellulose and Starch based specialized Excipients, among others.
- Product portfolio tailored to pharmaceutical, nutraceutical, and food-grade applications — tapping into high-margin, fast-growing segments in regulated and semi-regulated markets.
